**NOTES**

A “qualifying Cessna 207” generally means airworthy condition with 24 volt electrical system and no interfering modifications.

New engines purchased from Rolls-Royce are subject to a refundable shipping container deposit of \$4,500. Rolls-Royce calculates the actual engine price at the time of delivery and not at the time of order.

Buyer may provide an appropriate customer-furnished turbine engine. Rolls-Royce 250-B17C, 250-C20B and equivalent engines can be modified to the required 250-C20S configuration by a Rolls-Royce Authorized Maintenance Company.

Taxes, duties, shipping and crating charges, if applicable, are the responsibility of the buyer.

Prices are FOB Olympia, Washington and are subject to change without notice.
